

SHIPYARD PROFILE

Mission

Bollinger Shipyards is the leading provider of quality construction, repair, and conversion products and services to the marine industry, delivered in a safe and environmentally responsible manner.

Values

- Commitment to Safety
- Honesty and Integrity
- Importance of Relationships
- Support for Our Community
- Pride in Workmanship
- Respect for Environment
- Respect for Others
- Family Atmosphere

What attracted me to the shipyard was more hours and the pay and benefits. I started as a tacker trainee. I worked my way up from there by being persistent and working hard and willing to learn something new. Now I'm a first-class fitter.
