

# SHIPYARD PROFILE

## Mission

Our mission is to provide our employees with an honest, helpful and safe working environment, where every employee can dedicate themselves to providing our customers with exceptional workmanship, extraordinary service, and professional integrity.

*I have worked for Quality Shipyards for more than 20 years. During that time I have seen it grow in size and also become a safer place to work. If you are interested in good pay for a days' work, this is the place to work.*

Isaiah Lawson, Sr.  
Painter Leaderman

## Quality Shipyards, LLC

**Quality Shipyards** provides new vessel construction, conversion and repair services on the Gulf Intracoastal Waterway near Houma, Louisiana. The company employs 150 people.

New construction services include the designing and building of all types of vessels, using the latest CAD design equipment. Repair and refurbishment services feature four (4) floating drydocks, capable of building and repairing marine vessels up to 15,000 H. P. Another component of the operation is a full service machine shop with specialty equipment best suited to the needs of the marine and oil industry.

## Employee Benefits

Quality Shipyards offers a career in the marine industry as well as a progressive benefits package which includes:

- Medical, Dental & Vision Insurance
- 401(K) Savings Plan
- Short- and Long-Term Disability Insurance
- Employee Life Insurance
- Business Travel Accident Coverage
- Optional Employee Life Insurance

*Our employment process includes a background check and pre-employment drug/alcohol screening. Applicants must be 18 years old.*
